

Summer Training 2020 White Paper Hybrid App Development : Flutter 15 June 2020 - 26 June 2020

COURSE DURATION

40 hours Comprehensive Weekday Course (10 classes of 4 hours from Monday to Friday) with weekly Project Guidance Session and 1 month internship from PrismCode.

LOCATION

Near Sector 15 Metro Station, Noida, Uttar Pradesh - 201301

OVERVIEW

In this course, you will learn how to use Flutter to quickly develop high-quality, interactive mobile applications for iOS and Android devices. Whether you are just getting started with mobile app development or experienced with other mobile app frameworks, you will enjoy the high-velocity development and quality apps that Flutter enables.

Work with our instructors step-by-step to build an app in one codebase that compiles down to native code and has high performance on both iOS and Android. Learn how to develop fast by making use of Flutter's reactive framework, stateful Hot Reload, and integrated tooling. Customise your app with rich, composable widgets, built-in animations, and layered extensible architecture.

CERTIFICATE OF TRAINING COMPLETION

There would be a qualifying examination for the enrolment of the course and in the end of the course each student would have to present their project which they would learn to develop in the course. A physical and E-certificate of summer training would be provided to every student. This Certificate would be Internationally Validated.

The following certifications and awards would be given to scholars of the batch :

1. The best performer of the batch would be honoured with the certification of **'The Best Performer of the Batch'**.
2. There would also be a category for constant improvement in the course and 1 student out of the batch would be honoured with **'Gemba Kaizen'**.

CLASS STRENGTH

Maximum of 10 students per batch.
